Directory Change

Bill Neal would like to remove his present emergency number. At this time he does not have a new one.

Congratulations

We would like to extend our congratulations to Emilio and Elba Lopez on their recent renewal of their marriage vows. It was a grand affair with a great party at the NECA Clubhouse after the wedding. We wish the couple a loooooooooooooong and happy marriage.

Ladies Day Out

Well here it is July already: 10 of us went to Lake Ashton, and had a good lunch. Then 6 of us went shopping. Last I saw all 6 had a bag in their hand. Summer brings smaller groups, but we still had a good time.

In August we are going to Lavender & Lace at Lake Alfred, so we will be leaving a little earlier.

Watch for the sign up sheet.

Thanks Sharon

PLEASE NOTE

Louie Jondreau will take over the Chit Chat for the summer months. Please forward your articles to Louie for June, July, August and September.

COMPLIANCE COMMITTEE

An issue that is being addressed – empty lots with high, un-mowed grass. The County has been contacted regarding all the empty lots that need to be mowed. They called to confirm some information and said they would be handling the problem. Now we are in a “wait and see mode”, hopefully they will move quickly to resolve this unsightly problem.....

As of July 15th, the county has been in and tagged the lots. The owners have until August 2nd to comply (mow). After that date, the owners will be fined. We know it is hot and humid, but also try and keep your yard looking good.

Thanks from the rest of the Community.

A note from Vera and Rob:
Thanks to all our friends at Nature’s Edge for all the nice cards and thoughts we received after my Mamma’s death. We are truly touched by all the dear people who send us all those nice thoughts and nice words. We are trying to find our way without her and that is hard because we saw her nearly every day. But for her it is the best.
Thanks again and love Vera and Rob

NO ACTIVITY MEETING

There will not be an activity meeting in August. Anyone wanting to organize an activity, please contact Louie with date and time for the calendar, along with an article. You also need to make a poster for the clubhouse bulletin board.

SOUTHERN TEA TIMER’S

Please come join us every Wednesday at 1:00PM at the Club House. This gives us time together where we can solve the world’s problems, and have community fellowship to get to know one another. You can bring your knitting, crocheting or cross-stitch to work on. When holidays and special occasions come around, we will do some crafts. We also do crafts to dress our bulletin board. Hope to see you there.

NATURE'S EDGE COMMUNITY ASSOCIATION

NEXT BOARD MEETING
Tuesday, August 9, 2011 - 7:00 PM

Community Column *August 2011*

I know everyone missed me last month (yea right). Well I'm back anyway. It's getting along into our favorite season, SOLICITORS! It won't be long and we will be chasing them away again, newspapers, vacuums, etc, etc. Last year it was lightning rods. Lake Wales just granted a permit to a company to go door to door selling home security systems, so it probably won't be long they will be knocking at our doors. All entrances are posted with the new signs. Private Property, no trespassing, no soliciting. If they come calling, then you start calling the Sheriff's dept and lets nip it in the bud. The Sheriff will respond and they can issue tickets. Don't call me and expect me to call them. The Sheriff's Dept would rather hear first hand Info. Not second or third hand.

Hope everyone has a good summer!
